

JOB OPENINGS FOR HERITAGE CONSERVATION AND ENVIRONMENTAL PLANNERS

MMR-Heritage Conservation Society (MMR-HCS) and MMR-Environment Improvement Society (MMR-EIS) has two job openings. The positions are as follows:

1. Conservation Planner for MMR-HCS (Min. Qualification: Masters Degree in Heritage Conservation or Urban design or Urban Planning or Regional Planning. Min. Experience: None)
2. Environment Planner for MMR-EIS (Min. Qualifications: Masters Degree in Environment Planning or Urban Planning or Regional Planning. Min. Experience: None)

CVs of candidates applying for MMR-HCS should reflect a strong inclination and orientation towards heritage conservation and CVs of candidates applying for MMR-EIS should reflect a strong inclination and orientation towards environmental issues.

Both positions are on purely contractual basis and require full-time commitments (five days a week, 09.30am to 06.00pm). The contract period will be for one year and extendable every year up to a maximum of 3 years upon approval by the President of the Society. The consolidated remuneration for both positions will be Rs. 41000/- (similar to the remuneration made to Deputy Planners on contract basis by the MMRDA).

Interested applicants may apply to the Secretary, MMR-HCS and MMR-EIS before 11 January, 2016 by email at mmrhcseis@gmail.com with a CV and indicating clearly the post applied for and by when the applicant can join the organization if appointed. Shortlisted applicants would be invited for an interview at their own cost. The Society reserves the right to not appoint or invite for interview any of the applicants without giving any specific reason.
